Sam,

On behalf of UEC, I wish to thank you for your leadership and all of the time and effort you spent working to find a resolution to allow our Goliad project to go forward.

Although it took longer than we had hoped, we greatly appreciated your commitment to bring everyone to the table to work through the issues.

Thanks again for your leadership. We hope our efforts over the last year will continue to build a closer working relationship between UEC and Region 6.

Warm regards,  
Harry
